

Dear Ancaster Soccer Club Parents,

First let me wish you a very Happy New year and all the best to you and your families for the 2009 year. It gives me great pleasure to introduce you to Mr. Lou Nagy who has been hired as Ancaster Soccer's Clubs **Technical Director** for the 2009 season.

Mr. Nagy's previous experience within our community running the Ancaster Indoor Soccer World facility, and assisting the executive early on in the development of this Club is of note. Mr. Nagy has indicated that the Club represents a good fit, an enormous opportunity to provide support back to the local community that supported him so much in his earlier efforts as a player, and a way to contribute to the ongoing development of our program into the future.

Mr. Nagy is a grade school teacher with the HDCSB at St. John's Elementary School in Burlington, and again wishes to give back to a community that helped him in the past.

Here is a little past history of Lou's honored career in soccer,
