FIELD OF DREAMS CAMPAIGN

SOCCER DOME CAMPAIGN IS UNDERWAY

ASC and Redeemer to Raise \$2.2 Million

ASC has joined with Redeemer University College to build a new soccer complex that will increase accessibility to year round facilities for both communities and bring to Hamilton a world-class soccer facility that will be unmatched in the area. Imagine Ivor Wynne Stadium under a dome - that's the size.

The FIELD FOR ALL SEASONS campaign goal is \$4.8 million to renovate the existing Redeemer field and build a new 4-season international-sized field with a field house. ASC \$2.6 million has been provided by the federal and provincial governments. The city of Hamilton has agreed to provide a \$1 million interest-free loan (and to guarantee rental of 50% of the available time in the dome). All of the permits are in place and we can start construction as soon as the snow melts.
