

# ANCASTER Heritage Days

On June 11-13th 2010, the Ancaster Soccer Club will be hosting its 6th Annual Heritage Days Soccer Tournament. This tournament has grown into one of the premier tournaments within Ontario with over 250 teams in attendance. Over 5000 participants and an estimated 15000 spectators will be in attendance within our community for the event. Uniquely, this year's edition of the HDT tournament coincides with the commencement of the world's largest sporting event the 2010 FIFA World Cup of Soccer. It will be an opportunity for young and old to show their club colours and to cheer on the countries that they support.

Our event attempts to bridge sporting and community activities by involving the Rotary Club of Ancaster, the Ontario Soccer Association, countless community vendors and sponsors and several hundred local volunteers who are committed to the sport of soccer, their children and ultimately the community of Ancaster. Sponsorship within this event represents an opportunity to take part in a community wide celebration of sport and heritage within the community. It represents an opportunity to partner with a local not for profit organization to deliver a vital community based program which meets the needs of the community.

Our program continues to grow and to move in the direction of greater community partnership. This year our tournament represents an opportunity to assist in fund raising in the development of a domed soccer facility in partnership with Redeemer University and the City of Hamilton and the Province of Ontario. This unique partnership will allow an extension of our services throughout the winter months and will provide a great foundation to continue to solicit community support and volunteerism. We hope your involvement in our event through volunteerism and sponsorship will help our community to grow and our program to expand to meet the needs of the community. Your sponsorship will also serve to continue to keep costs low for our clients and allow us to invest in infrastructure for all ages.

Thank you  
Peter Minkiewicz  
2010 HDT Chairman  
Director of Special Events
