All-Star Program 2010

U10 Boys (2000)

ASC is very pleased to announce the details for this year's U10 Boys All-Star team

WHAT IS ALL STAR SOCCER?

All-Star has become known in the soccer community as the House League Tournament Team for those players who excel in the House League environment.

Within **ASC**, this description remains true (teams will participate in tournament play), but will also mean significantly more. The U10 All-Star team will help the player take a critical developmental step toward our first level of Rep Soccer.

SO HOW WILL IT WORK?

ASC will conduct open tryouts for U10 players who wish to be considered for the U10 Boys All-Star team.

- All interested players **must** be registered in the **ASC** House League program.
- Tryouts will take place early spring 2010 (more details to follow)

WHAT WILL THE PROGRAM CONSIST OF?

The players who are selected to the **ASC** U10 All-Star team will be provided with an All Star jersey (in time for tournament participation), as well participate in additional practices sessions.

The All Star team will participate in at least one, possibly two tournaments.

COST?

Additional costs, above and beyond house league fees should be expected. Funding raising and sponsorship opportunities will hopefully minimize/eliminate the incremental expenses.

INTERESTED PLAYERS/PARENTS ...
