

To ALL 2008 boys:

GAC Masonry Inc., has extended an offer to sponsor TWO players who are selected through team tryouts for our U11 Boys teams (either Target or Development). The amount of this sponsorship will cover the recipient(s) full indoor and rep registration fees.

The intent of this sponsorship is to attract new players from either house league, select teams or other competitive teams to our U11 boys competitive teams. Therefore, all players having participated on either the Ancaster Titans U10/2008 Boys or Ancaster Thunder U10/2008 in the 2017-2018 season do not qualify for sponsorship.

At team tryouts, coaches will test players' ability to fill a part of the teams and qualify for sponsorship. If more than two players qualify, the Ancaster Soccer Club's coaches and/or sponsors will determine who the recipients will be.

Please pass this information on to anyone who might be interested!
